## **HIGHFIELD caravan rally field**

The Oban area of Argyll is a marvellous destination for a caravan rally. With wonderful contrasting landscapes of the sea and the islands, the hills and the mountains, wide open spaces of forests, lochs and moors, - not forgetting our cultural and historical heritage reflecting thousands of years of history - there is a lot to see and do !

We're in a quiet country location close to the sea with peaceful views overlooking fields and trees to hills beyond. A caravan rally here makes a super break. There are a number of possible day excursions locally; and we have lots of space for your get-togethers and activities on site.

Our rally field is approximately 3 acres of fairly level well draining ground

space for 30+ touring outfits

access gates are easily negotiated and our entrance drive way is fully tarmacadamed

designated in and out entrance gates are inset at an angle to assist turning

gravel access track follows round the field between the gates

water point and grey water disposal points onsite, with CCEP close by

grass mown to suit your requirements and tidied as required

peaceful open views look over croft ground to trees and hills

Benderloch village - 1 mile has shop, Post Office, church, garage/filling station, recycling point, summer café, forest walks with marvellous views of the bay. About 9 miles from Oban.

### **Rally Guidelines**

#### **On the field**

Follow the gravel access track round the field, to reach your caravan – please don't make a 'short-cut'!. Please drive very carefully on the grass, especially during wet weather, do not exceed walking pace.

If you have difficulty siting any caravan, please ask for assistance – please don't damage our ground!

Strictly breathable groundsheets only!

#### **Pets**

Well behaved pets are of course welcome. Dogs must be kept on leads at all times on the site. NB Pets must never be left unattended at any time.

Please don't let your pet annoy anyone else and of course please be sure to clean up after him (or her!)

Exercise your pet round the perimeter of the field away from the parked caravans, or pop down to Tralee Beach (400m from main site gate) for a quick walk.

#### **Misc**

Beware of the overheard power lines and **do not** attempt to fly kites. Site your flags and pennants with care.

Please follow the countryside code during your stay at Highfield

Please don't swing on the gates or climb over them, they are all easy enough to open. Where you find gates closed, please be sure to close them behind you again

Please ensure all water taps and hoses are properly switched off after use.

Visitors should consider carrying levelling blocks, you may find them useful.

In the interests and safety of other site visitors, **no ball games** please; and in consideration of other site users, please keep television and music volume to a minimum after 10pm

Please place all your refuse in bags before disposal into our bins

Please report any damage or breakages at once.
